Preliminary Adequacy Review TR-2

Dear Patrick,

Regarding the above-referenced application for a Technical Revision to the Permit; Loveland Ready-Mix Concrete, Inc. respectfully requests a 30 day extension for adequacy review. We are requesting this extension to properly respond to all the adequacy review comments and to ensure that you have time to review and comment.

If you have any questions regarding this request or require additional information, please advise.

Thank you,

Stephanie Fancher English
