Dear Amber,

RE: Tamrock Gravel, LLC.  
Shot Rock Pit - M-2012-023  
Bond Reduction and Partial release

On behalf of my client Tamrock Gravel LLC, I am responding to the Incompleteness letter. We are requesting that the Bond Reduction and Partial Release Request filed on February 26, 2024 be considered a surety reduction only request.

1. Tamrock Gravel's intent is to removed the 11.0 acres from financial liability and not remove it from the permit. This will leave the current permit boundary unchanged until the Amendment is filed and approved.
2. Tamrock Gravel requests that you conduct a surety release inspection to evaluate work done on the areas reclaimed at this time.

If you have more questions or need more information please call me at (303) 423-7297.

Sincerely,

Stevan L. O'Brian
