This is casey evans,after talking to elliott russell,we talked about 5 acre prospecting on private land ,russell let me know that 5 acres under "prospecting terms is to much for bulk testing,after review of laws I need to apply for 110/1. 5 acre mineing operation, please terminate my noi,or prospecting paperwork and refund 86 dallor fee ,so I can fill out new 110/1 mineing plan,thanks any questions please call me 720-292-4781 casey evans or email me [Caseyevans69@gmail.com](mailto:Caseyevans69@gmail.com)
