Re: J & J Pit - File No. M-1985-001 **Glacier Gravel Products Surety Increase (SI-4)**

Dear Jim Helmericks:

On March 4, 2024 the Division of Reclamation, Mining and Safety increased the Financial Warranty requirement for this permit to \$54,493.00, in accordance with Rule 4.2.1 of the Rules and Regulations. This is an increase of \$7,103.00.

The Division ordered amendment of the current Financial Warranty, or submittal of a new Financial Warranty reflecting the increase, is due within 60 days from the date of this letter (March 4, 2024).

Please make arrangements with Sara M. Stevenson-Benn at the Division's Denver office for submittal of the financial warranty. Any other questions regarding completion, execution and/or submittal of financial warranty forms should also be directed to Sara M. Stevenson-Benn by telephone at (303) 866-3567 (8148), or by email at Sara.stevenson-benn@state.co.us.

The Permittee for this site may be scheduled for a Formal Board Hearing for possible revocation of the permit after May 3, 2024, if the amount of any increased Financial Warranty has not been provided.

Bond Held:	\$47,390.00
Prior Liability:	\$47,390.00
Change in Liability:	\$7,103.00

RE: J & J Pit, Permit # M-1985-001, Reclamation Costs Update

Dear Operator:

In an effort to ensure the Financial Warranty for the above referenced site adequately reflects the actual current costs of fulfilling the requirements of the approved reclamation plan, the Colorado Division of Reclamation, Mining and Safety (Division) has updated the reclamation cost estimate (copy enclosed) for this site. Division calculations estimate the cost to reclaim the site to be \$54,493.00. This is an increase of \$7,103.00 over the \$47,390.00 currently held by the Division.

Within 15 days, please review the attached estimate and notify me if any calculation errors are noted.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

Dustin Czapla

Environmental Protection Specialist

Division of Reclamation, Mining and Safety

Phone: (303) 866-3567, ext. 8188
