Good morning Jared,

I think Patrick said you are covering for him while he is out.

Regards,

Patrick,

Attached is request for another 30 day extension for the TR2 technical review.

I apologize for not getting this to you yesterday, it ended up being an avalanche of deadlines that I couldn't get out from under. Enjoy your time off.

Regards,

Preliminary Adequacy Review TR-2
Request for Extension

Dear Patrick,

Regarding the above-referenced application for a Technical Revision to the Permit; Loveland Ready-Mix Concrete, Inc. respectfully requests an additional 30 day extension for adequacy review. We are requesting this extension to properly respond to all the adequacy review comments and to ensure that you have time to review and comment.

If you have any questions regarding this request or require additional information, please advise.

Thank you,

Stephanie Fancher-English
