Hello, Mike.

Please request an extension related to the TR for the Brandstadt Rock Pit. I suggest that you ask for an extension to February 29th. If we need more time after that (for example, if you need more time for soil samples) then we can extend it again.

Thanks,  
Rob

Hello, Mike.

Did you get your soil test results? How do they look?

Either way, maybe we need another extension.

Thanks,  
Rob

They say they sent me the results but I'm having trouble with my email and can't find it. I request another 30 day extension for this TR.
