RE: Mattics Pit, Permit M-2021-044, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision SO-01

Dear Ms. Brossman:

On March 13, 2024, the Division of Reclamation, Mining and Safety received the Application Form for Transfer of Mineral Permit and Succession of Operators from Fremont Paving and Redi Mix, Inc. to Cheyenne County, for the Mattics Pit, Permit M-2021-044. The following items are incomplete for the application to be processed:

Application Form

1. The first question on Page 6 of the application is blank. Please submit a list of all other reclamation permits held by the Prospective Successor, Cheyenne County.

Performance Warranty

2. The Performance Warranty submitted with the application is not the most current form. The correct form is attached, and for future reference can be found on the Division's website under the Forms heading, Minerals Program Forms. The form should be signed by Ronal R. Smith then notarized and submitted to the Division.

Please return the required documentation to the Division **before May 26, 2024**. All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application may be denied after the 60-day submittal request, if requested documents or information are not received. In the event of any delay in your submittal or if you have any questions, please contact the Division.

Sincerely,

Nikie Gagnon
