**Re: Cresson Project - File No. M-1980-244
Cripple Creek & Victor Gold Mining Company
Technical Revision (TR-141)
Grassy Valley Monitoring Well Installation**

Dear Lori Smith:

On April 3, 2024 the Division of Reclamation, Mining and Safety concluded its review of the Technical Revision application submitted to the Division on December 20, 2023, addressing the following:

Installation of 13 additional monitoring wells in Grassy Valley.

The decision reached by the Division is: approve.

The terms of Technical Revision No. 141 approved by the Division are hereby incorporated into Permit No. M-1980-244. All other conditions and requirements of Permit No. M-1980-244 remain in full force and effect.

Please note the Division will recalculate the Financial Warranty associated with installation of the new monitoring wells after submittal of the Monitoring Well Drilling and Installation report within 45 days of the last well installation.

If you have any questions, please contact me by email at Patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
