RE: Piceance Pit, Permit M-2001-077, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision SO-5

Dear Mr. Carpenter:

On March 18, 2024 the Division of Reclamation, Mining and Safety received the Application Form for Transfer of Mineral Permit and Succession of Operators from IHC Scott, Inc. to W.W. Clyde & Co., for the Piceance Pit, Permit M-2001-077. Additional materials were received on March 25, 2024. The following items are incomplete for the application to be processed:

Application Form

1. The notary on pages 9 is incorrect. The full company name for the permittee is IHC Scot, Inc. W.W. Clyde & Co. was entered as the company name for both signatures.
2. Incorrect application fee submitted. \$115 was submitted which is the Hard Rock fee amount. This is a Construction Materials site and the SO fee is \$144. Please submit the remaining \$29.

Financial Warranty

3. Verify Notary otherwise ok.

Please return the required documentation to the Division **before May 24, 2024**. All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application may be denied after the 60 day submittal request, if requested documents or information are not received. In the event of any delay in your submittal or if you have any questions, please contact the Division.

Sincerely,

A handwritten signature in blue ink that reads "Amy Yeldell". The signature is written in a cursive, flowing style.

Amy Yeldell
Environmental Protection Specialist
