

Summit Brick and Tile Co.
Permit #P-2003-008
April 26, 2024

Badger Property
2024 Annual Report
Supplemental Notes

Additional Notes:

112 MLRB Permit: It is the intention of Summit Brick to submit an application for a 112 MLRB Permit for the Badger property. The anticipated timeline for this application is within the next 12 months if market conditions do not drastically change in that period of time.

Once the application process is completed for the 112 MLRB permit, Summit Brick will begin the process of getting the disturbed land for Permit P-2003-008 released.
