Cc: "Eschberger - DNR, Amy" <amy.eschberger@state.co.us>

Thank you for the update Krissa. The Division will follow up with a letter including a 30 day extension upon the receipt of that letter. If you have any questions, feel free to contact me.

Sincerely,

I talked to our bond people and they are working on it. I told them it needs to get done ASAP. I honestly don't know what the hold up is.

Thanks

Krissa

Hi Krissa,

I'm reaching out again in regards to the Sheehan Pit (M-2007-058) increase in financial warranty. It has been brought to my attention that the Division has not yet received the required increase as approved under TR-2. Per Rule 4.2.1(2), "the Office or Board may, in its discretion, review any Financial Warranty for adequacy at any time. In the event the Office or Board determine that the Financial Warranty is insufficient to perform reclamation, the Permittee shall have up to sixty (60) days to post additional Financial Warranty from the date of written notice from the Office or Board as such insufficiency." The Division notified the Permittee with the Proposed Decision of TR-2 on December 6, 2023 (attached). As of the date of this email, it is past the required sixty days as required per Rule 4.2.1(2).

As I understand there was confusion on the process and/or correct forms, in which the Division's financial specialist reached out regarding additional information. Discussions with the Division's financial warranty specialist, Sara Stevenson-Benn, mentioned she reached out via email on December 29, 2023 regarding the correct form necessary. If you are still having issues with having the financial warranty, please refer back to the email sent by Sara Stevenson-Benn or reach out to her. You can email her at [sara.stevenson-benn@state.co.us](mailto:sara.stevenson-benn@state.co.us).

If you have any questions, please reach out.

Hi Krissa,

The form that is needed will depend on the type of financial warranty you will be providing to the Division. Currently for the Sheehan Pit, the Division has a combination of a Cash Bond and a Letter of Credit. If you are providing another one of those options, please find the associated forms for that type of financial warranty. All forms should have the proper instructions. It should be noted, that each form needs to be have the associated "Third Party" form also filled out and provided. Both forms are found under the dropdown of "Financial Warranty Forms" linked. If you know exactly which type of financial warranty your are providing, I can direct you to the exact forms.

Sincerely,

Can you tell me what form I need? This is not something I have done before; it was usually my uncles job.

Thanks

Krissaa

Hi Krissa,

The following link is to all the Mineral program forms. If you select the "Financial Warranty Forms" drop down, the associated forms based on the type of warranty provided will show. If you have any questions, feel free to contact me.
