Hi Krissa,

Unfortunately if you would like to request another extension on the surety increase, you would need to ask the Board at this point in time. If the Division does not receive the increase in surety by the time of the deadline, a Reason to Believe (RTB) notification regarding a potential violation will be sent and a date for this item will be set for the Board for either April or May. However, if the surety increase is submitted and accepted by the Division before the scheduled Board hearing, the Division could potentially vacate the hearing. If you have any questions, feel free to contact me.

Sincerely,
