*RE: Acreage Release Request (AR-01) – Acreage Reduction - NCCI Pit #1 – File No. M-2001-107  
Decision Date Extension Request*

Dear Mr. Bowles,

Northern Colorado Constructors, Inc. (NCCI) has provided an updated SWSP amendment to the DWR for approval as they had provided comments not supporting the acreage release until they were satisfied with an amended SWSP to cover the remaining depletions for 2025 and 2026.

To provide time for their staff to approve the amended SWSP that has been submitted to the DWR, we would request to extend the decision date for the acreage reduction/release to May 30<sup>th</sup>, 2024.

NCCI appreciates your consideration of this request.

Please feel free to contact me with any questions or comments.

Sincerely,

J.C. York, P.E.
