Dear Mr. Renfro:

Martin Marietta Materials, Inc. hereby requests that the Division of Reclamation, Mining and Safety ("DRMS") extend the decision date for Thunderbird Sand and Gravel, Permit No. M-2023-032, from May 2, 2024 to May 30, 2024.

Martin Marietta submitted a response to preliminary adequacy review on March 19, 2024, and as of the date of this letter, has not yet received a response or request for additional information from DRMS. It is our understanding that Martin Marietta must request another extension of time due to the delay.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Phillip J. Courtney'.
