Good morning Amy,

Thank you for submitting a revised 2023 Hydrology Report for this permit. Please see the attached letter. If you have any questions or concerns, please let me know.

Thanks again,
Jocelyn

RE: Adequacy Review of 2023 Hydrology Report, Pueblo Cement and Limestone, Permit# M-2002-004

Dear Ms. Rodrigues,

The Division received the response to the April 3, 2024, adequacy review of the 2023 Hydrology Report on May 3, 2024. The report has been reviewed and the Division does not have any questions at this time but reserves the right to further supplement this document with additional items and/or details if necessary.

If you have any questions, please contact me by email at Jocelyn.carter@state.co.us or by phone at (720) 666-1065.

Sincerely,

Jocelyn Carter
Environmental Protection Specialist
Division of Reclamation, Mining, and Safety
