RE: New Horizon North Mine, Technical Revision No. 25 (TR-25)

Dear Mr. Wein,

Colorado Parks and Wildlife has reviewed the Technical Revision No. 25 (TR-25) for the New Horizon North Mine. Colorado Parks and Wildlife (CPW) has a statutory responsibility to manage all wildlife species in Colorado; this responsibility is embraced and fulfilled through CPW's mission to protect, preserve, enhance, and manage the wildlife of Colorado for the use, benefit, and enjoyment of the people of the State and its visitors.

CPW has no wildlife comments to add regarding the technical revision.

CPW would like to thank DRMS for the opportunity to comment on such land use actions that have direct impact on our natural resources. If you have any questions, please feel free to contact District Wildlife Manager Tony Bonacquist at 970-209-2374.

Sincerely,

Tony Bonacquist
