Is the contact information listed above correct? If it is not correct your organization's Administrator will receive an email notification. *

☒ Yes ☐ No

Once this form is submitted you will see a link to update contact information, which you may do if you're an admin.

Surface Area Changes

Revision

Revision Title * (?)

Technical Revision - Bear Creek Drainage
Short description

Narrative Description of Revision * (?)

This Revision is being submitted to address the final reclamation slope on the South Bank after the discharge from the culvert pipes under the haul road as per attached Map. The existing slope is too steep subject to potential failure.
