Dear Mr. Wein,

As you mentioned on the phone earlier, our deadline for our Succession of Operators Application (Peat Mine, Permit # M-1994-081) is fast approaching and we will likely not get everything sorted in time by May 28th.

At this time, we would like to respectfully and formally request a 30 day extension on this deadline. That should give us adequate time to finish tying up all the loose ends.

And again, thank you for working with us on this matter.
