Decision Date Extension Request*

Dear Mr. Zuber,

W.W. Clyde & Co. has received the Division's Second Adequacy Review dated April 17, 2024.

We provided responses to the Second Adequacy Review today but would like to request an extension to the current decision date of June 7, 2024.

To provide time for the Division to review our comment responses, we would request to extend the decision date to June 30, 2024.

Sincerely,

J.C. York, P.E.
