RE: Permit No. M-1999-098 – Riverview Resource
Groundwater Monitoring Plan Revision

Holcim is requesting to amend Exhibit G (Water Information) to remove monitoring wells 7, 8, 9, 10, and 11 from further groundwater well monitoring and reporting. PDC Energy built a natural gas fracking pad in 2018 (attached map) and mining the aggregate material will not occur on this parcel. Monitoring well 3 will be replaced (attached proposal).
