Re: ORO Vista 4, File No. P-2024-007, NOI Acceptance, Authorization to Proceed

Dear Mr. Sweet:

The Division of Reclamation, Mining and Safety (Division) has completed the review of your Notice of Intent to Conduct Prospecting (NOI). Therefore, final acceptance from the Division for your Notice of Intent to Conduct Prospecting (NOI) project known as the ORO Vista 4 is hereby granted and your application is **accepted**.

Also, in accordance with Rule 5.6, the Annual Report, Map and associated fee of \$86.00 per site must be submitted on your approval anniversary date, June 4, for each year following the filing of an NOI until reclamation responsibility release is granted. Please note, the acceptance of this NOI shall not be construed to abrogate the duty of the prospector to comply with other applicable laws or regulations, including but not limited to all federal, state or local permits, licenses and approvals, as well as any access agreements, as applicable to the specific operation.

If you have any questions, concerns or need additional information please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-919-2997 Ext. 8187 or by email at lucas.west@state.co.us.
