RE: Permit No. M-2016-054 – Irwin Thomas Mine
Technical Revision 2 – Pit Side Riprap Protection

Mr. Lennberg,

Holcim committed to providing the additional design of a then proposed inlet/outlet structure following completion of the slurry wall construction as Technical Revision 2. Please find the attached June 10, 2024 letter from J&T Consulting, Inc. justifying the use of pit side riprap protection.

If you have any questions, please feel free to contact me at 702-379-4623.

Sincerely,

A handwritten signature in black ink, appearing to read 'Wyatt R. Webster', with a long horizontal flourish extending to the right.

Wyatt R. Webster
