

PUBLIC NOTICE

Coors Energy Company (PO Box 4030, Golden, CO 80402) has applied to the Colorado Division of Reclamation, Mining and Safety (DRMS) for a permit revision to amend the approved post-mining land use for the Keenesburg Mine (DRMS Permit C-1981-028, approved November 3, 1981). This permit revision would add renewable energy development to the list of approved post-mining land uses on this site along with the currently approved rangeland and industrial/commercial post-mining land uses.

The Keenesburg Mine is located 7 miles north of Keenesburg, CO and is accessed by Weld County Road 59. The permitted area is portions of Sections 25 and 36, Township 3 North, Range 64 West of the 6th Principal Meridian, Weld County, CO on the Klug Ranch and Tampa USGS 7.5-minute quad maps. Copies of the application may be viewed at the Weld County Clerk and Recorder's Office (1402 N 17th Ave, Greeley, CO 80631), the Keenesburg Town Hall (140 S. Main, Keenesburg, CO), and at the DRMS (1313 Sherman St, Room 215, Denver, CO 80203). All comments, objections, and requests must be submitted in writing to the DRMS at 1001 E 62nd Ave, Room 215, Denver, CO 80216. The public comment period extends for ten days following the date of publication of this notice.
