RE: Climax Mine, Permit No. M-1977-493, Technical Revision (TR-37) Extension Request Approval-2

Dear Mr. Detmer:

On June 13, 2024 the Division received your extension request to allow sufficient time to respond to adequacy requirements and for the Division's review of the submitted materials. Your extension request is approved for an additional 30 days.

The Decision Due date has been extended to Wednesday, August 28, 2024. The Division will continue to review your Technical Revision and will contact you if additional information is needed.

If you require additional information, or have questions or concerns, please feel free to contact me.

Sincerely,

Amy Yeldell
Environmental Protection Specialist
