**Re: No Additional Comments, Proposed Water Monitoring Plan, Leadville Mill, Permit No. M-1990-057**

Dear Mr. Michael:

On June 12, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received your responses to the Division's Water Monitoring Plan adequacy review (June 6, 2024) for the Leadville Mill, Permit No. M-1990-057.

The submitted responses addressed adequacy items from the Division's letters dated April 11<sup>th</sup> and June 6<sup>th</sup>. This letter specifically addresses the responses to the Division's June 6<sup>th</sup> letter pertaining to items 9-11 and the Water Sampling Plan. The Division accepts the proposed Water Sampling Plan and has no additional comments.

The Division will continue its review of the remaining responses, addressing items from its April 11<sup>th</sup> letter, and any additional comments/clarifications will be sent under a separate cover letter.

If you need additional information or have any questions, please contact me by email at [patrick.lennberg@state.co.us](mailto:patrick.lennberg@state.co.us).

Sincerely,

Patrick Lennberg  
Environmental Protection Specialist
