RE: Wagner Pit, File No. M-2023-038, Decision Date Extension Approval for 110c Application

Dear Mr. Robertson:

On June 18, 2024 the Colorado Division of Reclamation Mining and Safety (Division) received an extension request for the decision date of the above mentioned 110c permit application. All adequacy items have been satisfied. Additional time is required for close of the public comment period due to a public notice error requiring republication.

Your extension request is approved. The decision date for this application is **August 1, 2024**.

Please provide the Division with public notice documentation as mentioned in adequacy review #3 as soon as possible.

If you require additional information, or have questions or concerns, please feel free to contact me.

Sincerely,

Amy Yeldell
Environmental Protection Specialist
