**RE: Peat Mine, Permit No. M-1994-081, Completeness Decision Date Extension Request
Approval for Transfer of Mineral Permit and Succession of Operators, Revision SO-02**

Dear Mr. Mortensen,

On June 24, 2024 the Division of Reclamation, Mining and Safety received a letter requesting an extension to the Decision Due date for the Succession of Operators No. 2 Application (SO-2). The extension will allow the Division time to review the materials submitted with Mortensen's response letter to the Division's Notification of Incomplete Application Letter. The due date for the requested materials was June 22, 2024. The applicant's tracking number indicated that the required items for review were received by the State's mail services on June 20, 2024. The Division has approved Mortensen's Landscaping and Irrigation's request. The new completeness decision date for the SO-2 Application is July 12, 2024. If you have any questions or concerns, please feel free to contact me.

Sincerely,
