Dear Mr. Webster:

On June 28, 2024, the Division of Reclamation, Mining and Safety (Division) received your request to extend the decision date for Technical Revision No. 7 (TR-7) which was filed with the Division on April 3, 2024. Per your request, the Division has extended the decision date 90 days from July 2, 2024 to September 30, 2024 to allow additional time to gather information from the City of Thornton for the requested flood mitigation plan and updates to the reclamation plan map.

Please ensure the Division sufficient time to complete its review process by submitting any requested materials prior to the decision date.

If you have any questions, you may contact me by telephone at (303) 866-3567, ext. 8126, or by email at nikie.gagnon@state.co.us.

Sincerely,
