Hi Wyatt.

I noticed we only received a graph for the annual groundwater monitoring at Tucson South. Will you send me the data that corresponds to the graph that you submitted with the annual report on January 3, 2024? The last data table you submitted ends with monitoring on 1/6/2023. Please send me the data for February 2023 through January 3, 2024.

Kind regards,

Nikie Gagnon Environmental Protection Specialist
