Incomplete Application**

Dear Mr. Rudder:

On July 3, 2024, the Division of Reclamation, Mining and Safety received your Succession of Operator 1 Application package for the Rudder Pit, File No. M-2019-008.

Preliminary review of the information received determined that the following items must be received before the Division can consider your application as being submitted and a technical review can begin:

1. Performance Warranty: The submitted document wasn't acceptable. Page 9 wasn't dated which invalids the signatures and notary.
2. Affidavit of Authority: The submitted document wasn't acceptable. The full company name "Rudder Brothers LLC" must be used in each blank for company name.
3. Financial Warranty: A bond in the amount of \$5,270.00 is required along with Financial Warranty paperwork. This paperwork varies depending on payment type (check, cd, letter of credit, corporate surety). Please let me know your method of payment & I can email you the correct paperwork.
4. Rudder Brothers LLC is "delinquent" with the CO Sec. of State. Before any bond can be accepted, Rudder Brothers LLC must be in good standing. Please make arrangements with the CO Sec. of State.
