Hello Rob,

I would like to ask for an extension for Sprague Stone until Aug 9<sup>th</sup> 2024 for both corrective actions please. One for the TR and reclamation plan and one for the financial warranty.

I am working with Eric Scott on the ePermitting. We are also almost done with the Financial warranty. Should be done with that next week.

Let me know if there is anything else you need from me. Happy Friday!

Thanks,

**Amanda Sprague**
