Dear Director Cunningham:

The Division has received timely public objections to the 112c reclamation permit application submitted by W.W. Clyde & Co. for the Bernhardt Sand and Gravel Pit (File No. M-2023-025). Pursuant to Rule 1.4.9, the Division will schedule the matter for consideration by the MLRB to occur during the August 21-22, 2024 Board meeting.

Pursuant to Rule 2.7.1(1), the Division will schedule a Pre-hearing Conference to occur in the Denver Division office on or around July 31, 2024. Rule 2.7.1(2) requires the Pre-hearing Conference Officer be appointed by the Board. In such matters, the Board has authorized the Division Director to act on its behalf and appoint an appropriate staff member as Pre-hearing Conference Officer.

Jason Musick has indicated that he will be available to preside as Officer of the Pre-hearing Conference on or around July 31, 2024. Therefore, the Division respectfully requests the appointment of Jason Musick as Pre-hearing Conference Officer for the Bernhardt Sand and Gravel Pit 112c application.

Thank you.
