**Re: Stear Dirt Mine, File No. M-2024-037
Receipt of 112c Construction
Materials Reclamation Permit
Incompleteness Notice**

Dear Mr. Hunt:

On July 8, 2024, the Division of Reclamation, Mining and Safety received your 112c Construction Materials Reclamation Permit Application package for the Stear Dirt Mine, File No. M-2024-037. Preliminary review of the information received determined that the following additional information must be received before the Division can consider your application as being submitted and technical review can begin.

Application Form:

1. On Page 2 under Item #9 Location Information, the Applicant did not specify the Range direction. Please revise.
2. On Page 5 under Responsibilities as a Permittee, two sets of initials were placed on each line. In addition, on Page 8, two names were signed under Applicant/Operator or Company Name. However, only one name was placed on Page 1 under Applicant/Operator. Please revise page 1 to include both names under Applicant/Operator or remove the second set of initials on 5, 6 and 8 of the application form.

Exhibit Q:

3. In accordance with Rule 6.4.17, please submit a revised Exhibit Q that includes proof of notice that the permit application was sent to the Board of County Commissioners. In accordance with Rule 1.6.2(1)(a), the notice must be on the form approved by the Mined Land Reclamation Board as provided in the 112c application materials. Proof of notice to the Board of County Commissioners for Weld County can be accomplished in the form of a return receipt of a certified mailing or a date-stamped copy of the notice acknowledging receipt by the appropriate local Board.

Exhibit R:

4. After submittal to the above incompleteness responses, in accordance with Rule 1.6.2(1)(a), please demonstrate the response to these incompleteness issues have been placed with the application materials previously placed with the Weld County Clerk's Office and made available for public review.

Your application will not be considered filed until all the information listed above is received and found sufficient to begin our review.

You have sixty (60) days from the above date to submit all necessary documents that the Office needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Office, the Office may deny the application and terminate the application file.

The response to this Incompleteness Notice is due on or before September 16, 2024.

This letter shall not be construed to mean that there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.
