Re: Inspection Corrective Action Response (Mattics Pit, File #M-2021-044)

Dear Ms. Gagnon,

We are in need of a date extension to respond to your inspection's correction actions regarding the aforementioned Construction Materials Reclamation permit. We are still in the process of accumulating all the documentation pictures and documents to respond to the corrective actions.

Thank you for your time with this extension request. If you have any questions or concerns, please do not hesitate to contact me at the address, phone number or email address listed above.

Sincerely,

Marcy L. Brossman
Cheyenne County Administrator
