**Re: Enforcement Items Abated, MV-2024-005, Vasquez Quarry No. 2, Permit No. M-1994-121**

Dear Mr. Vasquez:

On May 3, 2024, the Mined Land Reclamation Board (Board) signed the Board's Order for violation no. MV-2024-005 for failure to post additional financial warranty within 60 days of the date of notice of adjustment for the Vasquez Quarry No. 2, Permit File No. M-1994-121. The Board's Order imposed a cease and desist order on the site until corrective actions have been resolved to the satisfaction of the Division of Reclamation, Mining, and Safety (Division/DRMS), a corrective action directing the Operator to submit additional financial warranty or a new financial warranty in the amount of \$8,959.00 and pay a \$500.00 unsuspended civil penalty.

On July 16, 2024 the Division notified the Operator that it had accepted the increase in financial warranty of \$8,959.00.

On July 22, 2024 the Division received the unsuspended civil penalty payment in the amount of \$500.00.

With the corrective action being completed and receipt of payment of the civil penalty the Division repeals the cease and desist order.

The Division has abated the enforcement items for MV-2024-005.
