Request for Financial and Performance Warranties**

Dear Mr. Adkins:

The Division of Reclamation, Mining and Safety (Division) has completed the review of your Notice of Intent to Conduct Prospecting (NOI) Application which included Concurrence Correspondence from the Bureau of Land Management.

Division Staff conducted a Reclamation Cost Estimate based on the details of your application. Staff calculations determined that the total cost to achieve reclamation of the project to be **\$17,147.00** (Cost Estimation Worksheets Enclosed). To date, the Division holds \$4,000.00. Please provide the Division with either a replacement Financial Warranty for the full amount or the \$13,147.00 difference along with the appropriate Financial Warranty Form. In addition to the Financial Warranty, please execute and submit the Performance Warranty (Enclosed) and Affidavit of Authority (enclosed). Once the Financial and Performance Warranties are received and accepted by the Division you will be issued an Authorization to Proceed Letter.

If you have any questions, concerns or need additional information please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-919-2997 or by email at [lucas.west@state.co.us](mailto:lucas.west@state.co.us). ## **Documentation of Legal Authority to Execute Financial Warranty Documents**

*The Colorado Mined Land Reclamation Board (“Board”) has adopted the attached Affidavit of Authority to Execute Financial Warranty Documents pursuant to the Mined Land Reclamation Act (C.R.S. § 34-32-101 et. seq.) and the Land Reclamation Act for the Extraction of Construction Materials (C.R.S. § 34-32.5-101 et. seq.). The Board and the Division of Reclamation Mining and Safety (“Division”) have determined that, in order to carry out the financial warranty requirements set forth in C.R.S. §§ 34-32-117 and 34-32.5-117 with reasonable diligence, it is prudent to verify the legal authority of the individual signing all necessary documents.*

You may do so either by submitting a resolution of the decision-making body of your company that authorizes an individual to sign the Financial Warranty Documents on the company’s behalf, or by completing and notarizing the attached affidavit. The Division reserves the right to require the attached affidavit in all circumstances. Please note that if you are a sole proprietor who is executing documents on your own behalf, documentation of legal authority is unnecessary.*

### ONE SITE PROSPECTING FINANCIAL WARRANTY ON BUREAU OF LAND MANAGEMENT LAND CHECK FOR DEPOSIT IN STATE TREASURY

Prospecting Financial Warranty No. \_\_\_\_\_

Notice of Intent No. \_\_\_\_\_

*This form has been approved by the Mined Land Reclamation Board ("Board") pursuant to section 34-32-117, C.R.S., of the Colorado Land Reclamation Act. Any alteration or modification of this form, without approval by the Board shall result in the financial warranty being invalid and result in the voiding of any permit issued in conjunction with such invalid financial warranty and subject the Prospector to cease and desist orders and civil penalties for prospecting without a permit pursuant to section 34-32-123, C.R.S., of the Colorado Land Reclamation Act.*

KNOW ALL MEN BY THESE PRESENTS, that we (I), \_\_\_\_\_, of the  
County of \_\_\_\_\_, in the State of \_\_\_\_\_, as Principal(s) are  
(am) held hereby and firmly bound unto the State of Colorado, acting through the Mined Land Reclamation Board in  
the sum of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_) for the payment of which sum, well  
and truly to be made, we (I) hereby bind ourselve(s), and each of our (my) legal representatives, executors,  
administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has filed a Notice of Intent to Conduct Prospecting Operations with the Board on  
the following premises, indicated on the Notice of Intent filed with the Board, which is attached hereto and thereby  
incorporated by reference, to wit:

\_\_\_\_\_

\_\_\_\_\_

NOW, THEREFORE, the conditions of this obligation as such that if the above-bounded Principal shall, in  
conducting such prospecting operations, faithfully perform the provisions of the Notice of Intent to Conduct  
Prospecting Operations filed with the Board and the requirements of the plan to implement reclamation measures to  
reclaim all lands affected by the prospecting operations approved and modified by the Board, relating to the Colorado  
Land Reclamation Act as amended, and the Rules and Regulations adopted pursuant thereto; upon the Board making  
a finding that the lands described above have been satisfactorily reclaimed, and approving the Prospector's request for  
a financial warranty release on such lands, then this obligation shall be exonerated and discharged and become null  
and void; otherwise to remain in full force and effect.

If this financial warranty applies to National Forest System lands, and if this financial warranty is accepted by  
the United States Forest Service ("U.S.F.S.") as the bond required under 36 C.F.R. 228.13, then the Prospector, having  
requested that the Board and the U.S.F.S. accept this single financial warranty in lieu of the separate bonds which  
would otherwise be required by applicable law, hereby agrees that, notwithstanding any other provision hereof, or of  
law, this financial warranty shall remain in full force and effect until U.S.F.S. has advised the Board by written notice  
that the Prospector's obligations to U.S.F.S., for which this warranty is executed, have been satisfied, and until the  
financial warranty has been released by the Board.

If this financial warranty applies to lands under the jurisdiction of the State Board of Land Commissioners("Land Board"), and if this financial warranty, in whole or in part, is accepted by the Land Board as the bond required under its applicable law and procedures, then the Prospector, having requested that the State accept this financial warranty in lieu of the separate bonds which would otherwise be required by the Board or Division of Reclamation, Mining and Safety and by the Land Board, hereby agrees that, notwithstanding any other provision hereof, or of law, this financial warranty shall remain in full force and effect until the Board is notified in writing by the Land Board that the Prospector's obligations to the Land Board, for which this warranty is executed, have been satisfied, and until the financial warranty has been released by the Board.

If all or any part of the affected lands are under the jurisdiction of the Bureau of Land Management, United States Department of the Interior (the "BLM"), and if, at the request of the Prospector on this financial warranty, the BLM has, pursuant to 43 C.F.R., 3809.570, accepted this financial warranty then, notwithstanding any other provision of this financial warranty, or of law, the Prospector hereby agrees that this financial warranty shall not be released until the Board is advised in writing by the BLM that the Prospector's obligations to the BLM, for which this warranty is executed, have been satisfied, and until the financial warranty has been released by the Board. The Prospector agrees that this warranty shall also be redeemable by the Colorado State Director, U.S. Bureau of Land Management.

PROVIDED, however, the Warrantor shall not be liable under this financial warranty for an amount greater in the aggregate than the sum designated in the first paragraph hereof, unless increased by a later amendment, and shall not be liable as respects any obligation related to prospecting and reclamation operations performed after the effective date of a cancellation of this financial warranty pursuant to the terms of Section 34-32-117(5), C.R.S. , as amended. This financial warranty shall remain in force and effect as respects all obligations for all prospecting and reclamation operations performed prior to the effective date of such cancellation unless the Principal files a substitute financial warranty which: 1) assumes liability for all obligations for all prospecting and reclamation operations performed during the effective date of this financial warranty; and 2) is acceptable to the Board; or unless the Board otherwise releases this financial warranty.

The Warrantor reserves the right to cancel this financial warranty, effective only upon an anniversary date, and only by giving written notice to that effect, mailed by Certified Mail, at least ninety (90) days prior to such anniversary date, addressed to both the Prospector at its address herein stated, and to the Board at the address herein stated. In the event of such cancellation, this financial warranty shall nevertheless remain in full force and effect as respects the reclamation of all areas disturbed prior to the effective date of such cancellation, unless and until the Prospector shall file a substitute financial warranty which: (1) assumes liability for all reclamation obligations which shall have arisen at any time while this financial warranty is in force; and (2) is accepted in writing by the Board.

The above listed Operator provides this warranty to the Board in conjunction with a reclamation Permit to conduct the above described mining operation on certain lands in Colorado. The “Affected Lands” are described in the above listed reclamation Permit, and include any Permit Amendment(s) approved by the Division of Reclamation Mining and Safety (“Division”).

The Colorado Mined Land Reclamation Act, C.R.S. 34-32-101 *et seq.* (“Hard Rock Act”), and the Colorado Land Reclamation Act for the Extraction of Construction Materials, C.R.S. 34-32.5-101 *et seq.* (“Construction Materials Act”), both require a permit issued by the Board to include a written promise by the Operator to comply with all requirements of the Hard Rock and Construction Materials Acts (referred to herein together as “Acts”).

Through the terms and conditions of this performance warranty and Permit, the Operator agrees to be bound by all requirements of the Acts and all Mineral Rules and Regulations of the Board for Hard Rock, Metal, and Designated Mining Operations (2 C.C.R. 407-1) and all Mineral Rules and Regulations of the Board for the Extraction of Construction Materials (2 C.C.R. 407-4) (referred to herein together as “Rules”).

The Operator hereby provides the Board warranties of performance pursuant to C.R.S. 34-32-117(2), (3), and (4)/C.R.S. 34-32.5-117(2), (3), and (4), and promises the Board it will comply with all applicable requirements of the Acts and Rules.

The Operator hereby promises the Board it will comply with all of the terms of the reclamation Permit, including any Permit Amendment(s) approved by the Division. This performance warranty obligation of the Operator shall continue until the Operator’s liability is released by the Board.

The Operator promises to be responsible for reclamation costs up to the amount established by the Board and incorporates its financial warranty to this performance warranty. The Operator agrees to maintain a financial warranty (or warranties) in good standing for the reclamation costs for the entire life of the

Permit. The amount of the financial warranty shall be sufficient to assure the completion of reclamation of affected lands if the Division has to complete such reclamation due to forfeiture. If the Board determines the Operator is in default under this performance warranty and the Operator fails to cure such default, the Operator's financial warranty shall be subject to forfeiture pursuant to C.R.S. 34-32-118/34-32.5-118.

This performance warranty by the Operator is perpetual and shall remain in full force and effect until all obligations have been met and all associated financial warranty is released by the Board. Any release of liability in a succession of Operators shall comply with C.R.S. 34-32-119/34-32.5-119.

The provisions hereof shall bind and inure to the benefit of the parties hereto and their successors and assigns.
