Hello Dawna,

Thank you for your email, the problems cited in the 2024 inspection report for this permit have been abated and are considered resolved by the Division.

Thanks again,
Jocelyn

Jocelyn - Attached are pictures of the Peters Pit M-1991-078 that Shane Lessenden took showing the new markers and the clearing of the tamaracks. He has also talked to our local Extension Office about spraying options. This is one of three e-mails that I will be sending. I just forwarded them from my phone.

Please let me know if you have any questions or if we need to do anything additional.

Thank you
