Hi Leigh –

Regarding the surety increase at the Vagneur Pit we will be increasing the bond to \$1,168,937.00. We are requesting an extension date of August 9th, 2024. We have no officer in our Colorado office that can sign for that amount. I will need to send it to our Kilgore office in Salt Lake City, UT. for an appropriate signature.

Thank you for your consideration.

Best regards.

Jim

Thanks for your reply Jim.

There is no rush on this. Now I have your concurrence I'll go ahead and initiate a Surety Increase permitting action, you'll receive a formal letter that will outline the process.
