Subject: Quarterly Milling Report for Second Quarter 2024
DRMS Permit No. M-2012-032
Revenue Mine, Ouray County, Colorado

Dear Mr. West,

FAFO Holdings LLC (FAFO) is providing this Quarterly Milling Report (Report) to the Division of Reclamation, Mining and Safety (DRMS) in accordance with obligations stated in Technical Revision (TR)-15 to document reagent use and tailings management during the second quarter 2024.

1. General Operations/Ore Processed:

The mill did not operate during the second quarter 2024. Construction of the gravity circuit has not begun, dependent on acceptance of TR-17.

2. Reagent Transport, Storage and Use:

No reagents were used during the second quarter 2024. All mill reagents were removed from site per conditions of entering temporary cessation in the fourth quarter 2022 and none have been brought back on site.

3. Tailings Management:

No tailings were generated during the second quarter 2024.

If you have any questions, please contact me at (970) 316-2294 (main office).

Sincerely,

CJ Dickerson
Mining Engineer
Thorin Resources
