RE: M-1979-131 JH Sand & Gravel Pit #1
Response to Preliminary Adequacy Review of Request for Acreage Reduction

Dear Ms. Carter,

Please accept this correspondence in response to the Division's review of JH Sand & Gravel's map and request to reduce the acreage inside the permit boundary.

Items 1 and 2: Please refer to the Exhibit C dated 10.13.2023 that was uploaded on 8.12.2024. The reclaimed areas within JH Sand & Gravel's parcel will NOT be removed from the permit boundary. The proposed permit boundary will encompass all parcel AP # 10500176 owned by JH Sand & Gravel LLC. The parcels owned by Quarter Circle LT, Inc (AP # 10500059) and Gerald and Norma Korinek (AP#10500180) will be removed from the permit boundary for a reduction of 2.1 acres and 9.2 acres, respectively, or 11.3 acres in total. The adjusted permit boundary will include 33.9 acres.

Item 3: JH Sand & Gravel will continue to use the Service Access Road that accesses the permit area from the south off County Lane 15.

Please feel free to reach out to me directly with any questions.

Respectfully submitted,

Angela M. Bellantoni Ph.D.
