Decision Date Extension Request*

Dear Mr. Bowles,

Central Colorado Water Conservancy District (CCWCD) has received the Division's Adequacy Review #1 dated June 1, 2024. We provided a response to the Adequacy Review #1 on July 30, 2024.

We are waiting on some agreements to be finalized as well as allowing time for the Division to finish their review of our responses to Adequacy Review #1. We would like to request an extension to the current decision date of August 18, 2024.

To provide time for us to finalize some agreements and for the Division to review our comment responses, we would request to extend the decision date to August 30, 2024.

Sincerely,

J.C. York, P.E.
