Good Morning Mr. Bishop,

We are looking forward to putting off our next blast at Red Canyon Quarry on Tuesday, August 20, 2024, pending weather conditions and /or mechanical issues between the permit hours for blasting. I am estimating that we will be putting shot #10 off around 1:30 pm that day. I will be contacting you an hour before shot time so that you can prepare. Should anyone have any questions, please let me know.
