Good afternoon,

The Division received your voicemail inquiring about the status of your coal application for permit number C-2016-090 this morning. I tried calling the number you provided, but got your voicemail. I was unable to leave a message because your voicemail box is full.

In response to your inquiry on the status of the application, permit number C-2016-090 was administratively terminated in 2021. I have attached a copy of the notice of termination email and notice of termination letter sent in 2021.

If you have any questions, please reply to this email, or call at 720-836-0967.

Thank you,

Amber M. Gibson
Environmental Protection Specialist I
