Jared,

As discussed, I was incorrect in my estimate of the amount of material we have sold this year. We have sold 39,830 cubic yards of material. We have informed our customers we will not be able to load any more material until we complete the permitting process.

Scott

Good morning Mr. Edgar,

Attached is the Division's report from the August 8, 2024 inspection. Please review it and let me know if you have any questions or concerns. Please let me know if there is a convenient time for you to talk this week.

Thank you,

Jared
