**Re: Henderson Mine, Permit No. M1977342
2023 Annual Water Monitoring Data Acceptance**

Mr. Hamarat,

On May 31, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received the annual Water Monitoring Report submitted by Climax Molybdenum.

Per the approved Groundwater Management Plan in Technical Revision 16, the Operator is required to sample on-site groundwater monitoring wells and surface water monitoring locations upgradient and downgradient of the Mine and the Mill and the report to the Division by May 31 of each year for the prior year's data.

The Division reviewed and accepts the monitoring data submitted for 2023.

If you have any questions, please contact me at nikie.gagnon@state.co.us or (303) 866-3567 Ext. 8126.

Sincerely,

Nikie Gagnon
