Re: Incompleteness Notice No. 2, 112c Construction Materials Amendment Application No. 1 (AM-1), Four X Ranch Gravel Pit, Permit No. M-2014-033

Ms. Smith:

On August 12, 2024, the Division of Reclamation, Mining and Safety (Division/DRMS) received your responses to the Division's Incompleteness Notice No. 1, dated May 6, 2024, for the Amendment Application (AM-1) at the Four X Ranch Gravel Pit, Permit No. M-2014-033. Preliminary review of the application determined the following item must be received before the Division can consider the application as being submitted/filed and the technical review can begin. Please respond to this Incompleteness Notice No. 2. with the required updated permit application page.

APPLICATION FORM:

1. Primary Mine Entrance Location. On page two, item 10, the required information was not provided, please provide the missing information.

EXHIBIT R – Proof of Filing with County Clerk and Recorder (Rule 6.4.18):

2. Pursuant to Rule 1.6.2(2), please demonstrate that the Applicant's response to these incompleteness issues have been placed with the application materials previously placed with the County Clerks or Recorders Offices and made available for public review.

Your 112c AM-1 Application will not be considered submitted/filed until the information listed above is received and found sufficient to begin our review. Additionally, if you have already published notice you will need to republish notice, but only after the Division considers the application submitted; the Division will notify you when you should initiate publication of your notice. This notice must be published for four consecutive weeks, starting within ten (10) days of the date your application is considered submitted. The final date for receiving comments is the 20th day after the last publication or the next regular business day.

Please respond to these incompleteness items no later than thirty (30) days from the date on this letter. If, at the end of the 30-day period, the application has not been determined to be filed with the Division, the Division may deny the application and terminate the application file. Should additional time be required to submit all the necessary documents an extension request can be submitted in writing for consideration by the Division.

The response to Incompleteness Notice No. 2 is due on or before September 22, 2024.

This letter shall not be interpreted to mean that there are no other incompleteness issues or technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.
