

Notes:

4K Equipment LLC. took over this permit on January 2, 2024. Material was removed for testing and to prepare reserve estimates.

15. As noted in the Mining and Reclamation Plans there is no topsoil to salvage from the mining area.

19. The bond was evaluated by the Division in December 2023 as a part of the permit transfer and found to be adequate to complete reclamation.

22. Please refer to the 2024 Annual Report Map for location of the areas of disturbance in the mine.
