**Re: Bowie No. 1 Mine (Permit No. C-1981-038),
 Proposed Decision - Technical Revision No. 66 (TR-66),
 Reclamation of Culvert and Sediment Pond at the Loadout**

Dear Mr. Bear:

Enclosed you will find the Division of Reclamation, Mining and Safety's Proposed Decision for Technical Revision No. 66 at the Bowie No. 1 Mine. Notice of the proposed decision will be published in the *Delta County Independent* as soon as possible. The day following the first publication will initiate the ten (10) day public comment period for the Division's decision.

Documentation must be submitted to the Division demonstrating that a copy of the approved revision application was sent to the Office of Surface Mining and the Bureau of Land Management. The material should be sent within 15 days of final approval.

Please refer to the Performance Bond heading on the enclosed proposed decision form. The amount of Bond Held equals or exceeds the Revised Liability, so you need not submit additional bond. This technical revision must not be implemented until this proposed decision becomes final, after the public comment period.

There are no stipulations attached, therefore there is no need to sign and return the proposed decision form.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert D. Zuber".

Robert D. Zuber, P.E.
