*RE: Sweet Valley Pit, File No. M-2024-015,
Decision Date Extension Request*

Dear Mr. Bowles,

Central Colorado Water Conservancy District (CCWCD) has received the Division's Adequacy Review #1 dated June 1, 2024. We provided a response to the Adequacy Review #1 on July 30, 2024.

Per our phone conversation and e-mail correspondence with DRMS staff we are re-noticing property owners and one additional property owner because of the modification of the permit boundary to include the access road area to CR 40.

To provide the necessary time to place the public notice advertisement in the Greeley Tribune for four consecutive weeks and the 20 days after the last publication for comments to be received we would request to extend the decision date to November 13, 2024.

Sincerely,

J.C. York, P.E.
