Re: Butala Gravel Pit, Permit No. M-1977-170, Corrective Actions Resolution

Mr. Kellerman,

On Tuesday August 22, 2023 the Mined Land Reclamation Board issued its Findings of Fact, Conclusions of Law, and Order (Board Order) confirming the stipulated agreement executed by the Division and Butala Construction Company. Within the Stipulated Agreement were several corrective actions to be completed, including submitting a Technical Revision, Interim Bond, Permit Amendment and Civil Penalties. All required Permit Revisions were received, and approved by the Division and the Interim Financial Warranty was posted within the required timeframe. On August 5, 2024 the final payment of the agreed payment schedule was submitted. Therefore, all required Corrective Actions as required by the Stipulated Agreement have been completed and your permit is in good standing. No further action is needed at this time.

If you have any questions, comments or concerns please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-919-2997 or by email at lucas.west@state.co.us.
